Lync's One

Lyrics by Ewan Ramsey & Lewis Moore

**Composed by Ewan Ramsey & Ryan Clements & Mackenzie Bacon
& Lyncon Watson & Lewis Moore**

Performed by Nowhere Fast

**You've heard me but you're not listening
sick of the sounds that I keep hearing
the noise from above telling me I'm wrong
life is moving fast but I'm already gone**

**You've heard me, so wrong, you're gone, so wrong
So long, so long, you're wrong, so gone**

**You've heard me, so wrong, you're gone, so wrong
So long, so gone, you're wrong, so long**

**You've heard me, so wrong, you're gone, so wrong
You've heard me, so wrong, Oh oh oh oh**

**Stuck in a cycle can I change your mind?
You cant speak you cant hide
you always seem to fucking lie
and I cant get out of this state of mind**

**You've heard me, so wrong, you're gone, so wrong
So long, so long, you're wrong, so gone**

**You've heard me, so wrong, you're gone, so wrong
So long, so gone, you're wrong, so long**

**You've heard me, so wrong, you're gone, so wrong
You've heard me, so wrong, Oh oh oh oh**
